The Italian Gipsy blend Italian melodies, classic international songs, and a mix of swing and Gypsy sounds. With a versatile lineup and elegant, light sound, they reinterpret Gypsy-jazz-manouche. Whether on stage or busking, they offer an entertaining, evolving show where covers are infused with diverse cultural influences.

A contemporary manifesto of a glorious, naive, and romantic black-and-white Italy, where Franco-Gypsy rhythms don't overshadow its strong beauty and intrinsic Italian nature but rather highlight its features, bringing forth a new and contemporary vital energy. Here, elegance and historical memories reflected in seemingly simple postcard-like songs reveal themselves with renewed vitality.
